---	---

The following items are needed on the drawing:

1. Location of roads, lake, or stream including distance from each
2. Address
3. Building site
4. Erosion control method to be used (seeding, mulching, rip-rap, straw bales, silt fence)
5. Cross section view and top view of existing grade and proposed grade

PROPOSED DRAWING

The issuance of this Part 91 Permit does not waive the necessity for obtaining other Federal, State and Local Permits.
