

PUBLIC NOTICE

Date: July 28, 2010
Permit No. MI0053848
Lenawee CDC-Loch Erin WWTP

The Michigan Department of Natural Resources and Environment proposes to reissue a discharge permit to: the Lenawee County Drain Commission for the Loch Erin Wastewater Stabilization Lagoon located at 7111 Reed Road, Onsted, Michigan 49265. The applicant collects and treats municipal wastewater for parts of Cambridge and Franklin Townships. The applicant discharges groundwater seepage and treated municipal wastewater to Wolf Creek in the SE1/4, SW1/4, Section 36, Town 5S, Range 2E, Lenawee County.

The draft permit includes the following modifications to the previously-issued permit: inclusion of the standard conditions relating to Untreated or Partially Treated Sewage Discharge Requirements and Monthly Operating Reports.

Comments or objections to the draft permit and proposed decision regarding the Antidegradation Demonstration received by August 27, 2010, will be considered in the final decision to issue the permit. Persons desiring information regarding the draft permit, Antidegradation Demonstration, procedures for commenting, or requesting a hearing should contact Karen Lauterbach, Permits Section, Water Bureau, Department of Natural Resources and Environment, P.O. Box 30273, Lansing, Michigan 48909, telephone: 517-373-1326, e-mail: lauterbachk@michigan.gov.

Copies of the permit application, Public Notice, Antidegradation Demonstration, and draft permit may be obtained via the Internet (<http://www.deq.state.mi.us/owis> - click on 'Permits on Public Notice') or at the Water Bureau Jackson District Office located at 301 East Louis Glick Highway, Jackson, Michigan 49201-1556, telephone: 517-780-7690.
